

CORPORATE OVERVIEW

ALAJNAF INC.

Independent investments. Long-term vision.

An independent private investment company focused on long-term ownership, disciplined capital allocation, and building enduring enterprise value.

Who we are

Alajnaf Inc. is an independent, privately held investment company founded in 2024 by Mohammed R. Alajnaf and based in Minneapolis, Minnesota.

We pursue opportunities where strategic vision, operational expertise, and patient capital can create sustainable growth. As an emerging firm, we invest selectively, think in decades, and bring an operator's perspective to every opportunity we consider.

02 · MISSION AND VISION

Mission

To identify, develop, and support businesses capable of creating meaningful long-term value.

Vision

To build an enduring investment enterprise defined by disciplined ownership, strategic judgment, and operational excellence.

03 · INVESTMENT PHILOSOPHY

Three principles. Every decision.

01

Disciplined Capital

A thoughtful, selective approach to capital allocation and investment decisions.

02

Operational Excellence

Strong leadership, efficient operations, and consistent execution drive sustainable enterprise value.

03

Long-Term Ownership

Durable businesses, patient decision-making, and value created over time.

Our principles

Integrity · Discipline · Accountability · Long-term thinking · Operational excellence · Strategic independence
